I write this as Autumn arrives, leaves falling to the ground, spiders turning up inside and the boss refusing to turn the heating on. But what better way to ignore the encroaching gloom than by dipping into a spanking new issue of *Club*? We've got debutantes, old favourites, the always wonderful Sasha, lesbos, the shaven, the slightly more hairy and a Readers Girlfriend with perhaps the fittest body in the history of ever. Consider your cockles well and truly warmed... ♣

Dear Club,
Some girls have a real problem with cum – they don't like the mess, or taste, or texture or something. I think they're crazy – for me, seeing and feeling a bloke lose his load is the ultimate turn-on.

One boyfriend couldn't believe how much I relished sucking his dick. I gave his cock the full treatment and although he lasted longer than I expected, I had to pace things so he didn't shoot too quick. His prick wasn't actually in my mouth when he came – I was wanking him and sucking his balls. But I made up for it by licking up every drop from his belly.

When he was hard again I knelt up over his dick and used the head of it to frig my clit to orgasm. Then I took him inside for a few strokes before backing off to suck him again.

I love to have a man cum on my tits – so much so I'd call it an obsession. So, when I felt this guy start to hit critical mass, I let him slide out and pointed it at my boobs, feeling it splash over me as I stroked him while he spunked.

So far, the wildest fantasy I've realised involved a group jizz bath, something I'd really wanted after seeing a gangbang porno. I told Rob, a bloke I was dating – well, more of a fuck-friend really – and he fixed it up for me with a couple of his mates, when they visited with him at university.

I promised Rob he'd be the only one to fuck me, as I dressed up in garters, stockings and tight PVC knickers. I liked the guys – one of them, Tony, was barely taller than me, but he had the biggest cock of them all!

I just homed in on it, wetting it with my saliva before sticking it in my mouth. I could feel my lips stretch and soon I had a hard-on in each hand too. Tony didn't last too long and the first jet to the back of my throat caught me off guard. But I spit him out quick enough so that I got the rest of it on my boobs.

Next came the second friend, Warren, for his sucking. I just let him thrust in, taking it deep. Meanwhile, Rob couldn't wait so he got in behind – he loves my arse, and wanted to wank off over the shiny knickers stretched out over my cheeks.

My cunt may have been off limits to our guests, but when Rob decided he wanted to fuck me, I had no problem with that! In fact, the underwear had been rubbing me into a near-frenzy – that and all the excitement had got me wet and ready for anything.

Rob frigged my cunt, while wanking with his other hand, then got my knickers down around my thighs so he could penetrate me. I let him do his thing, focusing on his mate's cock in my mouth. I counted, telling myself I could make Warren cum in less than ten sucks. I should have bet less than five. Okay, the last one was very hard and prolonged, but

NUDE ARRIVAL!

Dear Club.
Well I, for one, don't want to see the end of Sasha's reign of sexiness in *Club* but these things happen (I'm still trying to get over Lucy, my favourite redhead ever, who was the *Club* girl about 20 years ago!). And if it does happen, then I think Danielle Maye is a good choice. But, to be honest, there are so many lovely girls around at the moment, you could probably choose any of a dozen. How about uncovering a totally new girl?
Alistair, London

Well, we're always on the lookout for new girls, as are our photographers, because there's nothing quite like the feeling of discovering the glamour star of tomorrow. So we've got our eyes peeled and we're also open to more reader suggestions!

RUN FOR THE COVER!

Dear Club,
I can understand why Kiara was a little upset at not being on the cover of *Club* – she's the most beautiful women I've seen in a long time. I'd love to join her in front of that fireplace and make her even hotter. I'd have put her on the cover, in the centerfold and on every single page. Can we have her in *Club* again soon, please?
Tim, Bath

Yes it was a close call Tim, but Sunny and Alyssa just edged her off the cover. We're sure the next time she's in Club – and we'll definitely be featuring her again, she's lush – she'll get promoted to cover duties!

I felt his load rising in his balls in time to let him shower every drop on my tits.

Rob would just cum inside my cunt, I thought, but as his dick jumped and twitched inside me, he pulled out and piped a thick, gluey line of cock-cream along my arse crack. I moaned, with only my own pleasure to care about now, as it melted down onto my pussy.

Next, all three of them had a group wank – all beating their meat with me in the centre. Although Rob hadn't cum inside of me, my cunt felt so wet and squishy in my tight knickers as I sat playing with my tits. Tony came first, followed by Rob and then Warren. I yelled for Rob to lean his big mirror up against the wall next to me, so I could watch as all three loads dripped down on my belly and PVC-clad crotch. I got so mesmerised just looking at myself, I pulled my knickers down and sat frigging off over the sight of it.

Rob's friends left discreetly, then he got me on my hands and knees, spunk still dripping off of my tits, and did me from behind. Just minutes later, I had my best orgasm of the night with his prick ploughing me deep and the reflection of my quivering, spunk-wet body right in front of me…

BELLA END! ♣

Only kidding. She's just getting started...

Lovely Yank babe Bella Cole seems to be a bit schizophrenic. Not in a medical way, we hope, but in the 5 years of her porn career she's gone by Bella, Pepper, Nikki Anne, Nikki, Jennifer and Bella Sweet. It seems she can't make her mind up.

"Well, it all depends on how I feel," she reveals. "I'm not trying to be a household name porn star like Jenna or Tera, so I'll see how I feel on the day and I'll have that as my name. I tend to use Bella or Nikki-Anne most, it depends on which element of my personality comes out in the sex I have."

So what element are we getting today?

"Oh, you're getting the really naughty bit of me, that's the Bella Cole bit..." ♣

Club's Rough Guide

As the chilly winter months approach, much of the sporting fraternity heads East in search of warmer climes. Very wise, says Matt Loxham from his draughty London hovel, fingers chilled to the bone as he attempts to type 'Lewis Hamilton' into Wikipedia whilst wearing mittens...

Formula One Grand Prix Triple Header – Japan, Korea and India – October

The 2011 Grand Prix season still has a third of its races left, but in many eyes it's already as good as over, with Red Bull Racing dominating the Team Constructors' Championship and their lead driver, Sebastien Vettel, well clear in the quest for individual honours. Indeed, the 24 year-old German has been a revelation in setting about the notoriously difficult task of defending the title he narrowly won from team-mate Mark Webber in 2010, and at the time of writing Vettel had won an awesome seven out of twelve races and finished second in four of the other five, presumably because he fancied letting somebody else have a go at winning for a change.

However, although most experts think the champagne should be on ice and the trophies already engraved for both Vettel and Red Bull, it should be noted that Formula 1 is renowned for its thrilling twists and turns both on and off the track. Nigel Mansell blew a decent mid-season points lead and lost the championship to Alain Prost in the last Grand Prix of the season in 1986, for example, and Lewis Hamilton somehow snatched victory from the gaping jaws of defeat on the final lap of the final race in 2008, and with three Grand Prix set to take place in a packed October programme, that's the time when the likes of Webber, Fernando Alonso, and Brits Jenson Button and Lewis Hamilton will be looking to try and close the enormous points lead that the flying German has over his rivals. Admittedly, for anyone to catch him he'll probably have to do something daft like drive the rest

of the season's races in reverse for a bet, but stranger things do happen in sport.

If you're not that interested in watching cars zip around a track for a couple of hours, don't fret, because the BBCs Formula One punditry team always make the pre and post race analysis worth a look. Slightly shambolic and always featuring severe fashion mishaps and several moments of confusion, lanky presenter Jake Humphries, lantern-jawed ex-racer David Coulthard and diminutive former team owner

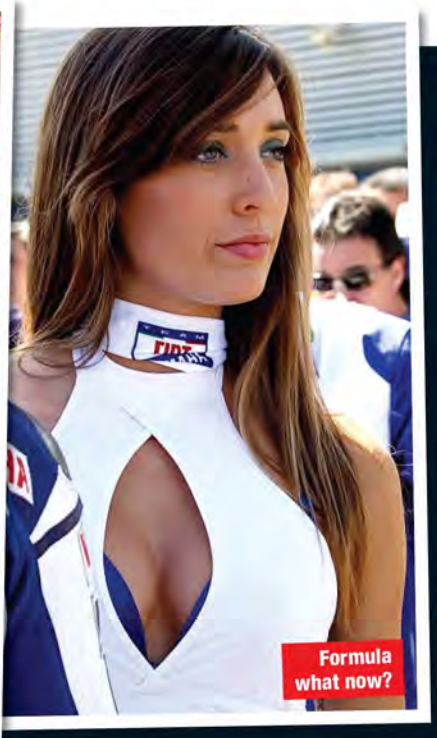
Eddie Irvine often resemble three baffled amateur enthusiasts who have somehow found themselves on the pit lane with a TV camera pointing at them. However, the real highlight is Martin Brundle's 'grid walk', where we witness a former driver who won precisely zero Grand Prix in 158 attempts bully his way down the track like he owns the fucking place in a bid to hector the current crop of Formula 1 stars while they prepare for the race. It's a surprisingly entertaining affair, especially when Brundle ends up talking to a mechanic because the driver he's targeted would rather chat to some fit presenter from German TV.

It should also be mentioned that October will see the first ever Indian Grand Prix, which is set to take place on a new purpose built track situated around 20 miles from Delhi. And before you ask, yes, they have managed to finish it on time.

Moto GP Double Header – Malaysia and Australia – October

Much more exciting than Formula 1, but yet inexplicably much less popular and receiving much less coverage is Moto GP, a sport where men who might well be clinically insane whizz around a track on 800cc motorcycles at speeds of over 200mph like complete nutcases, knees grazing the tarmac at almost every bend. Boasting balls-out racing, thrilling overtaking moves

Already better than Formula 1.



Formula what now?

and terrifying crashes, Moto GP is spectator sport at its most spectacular, although for many petrolheads the attitude is still very much one of 'two wheels bad, four wheels good'. But hey, it's their loss right?

The star of Moto GP for many is the six-time World Champion Valentino Rossi, although after switching from Yamaha to Ducati the Italian is having something of a season to forget. Indeed, it'll take a fucking miracle for the man they call 'The Doctor' to bag another this year, not to mention a monumental cock-up from the two men who sit pretty at the top of the standings, Australia's Casey Stoner and Spain's Jorge Lorenzo.

Where Rossi's move to Ducati seems to have completely ruined his chances of a seventh title, Stoner's switch away from the Italian giants to Honda has seen him put a couple of disappointing seasons behind him to lead the pack, edging last year's winner Lorenzo into second place on his Yamaha. Note to riders: if Ducati come calling, don't answer your phone.

Considering that there's two races slated, October should bring plenty of thrilling Moto GP action, with the top two tussling it out to earn vital championship points. And if that's not exciting enough, there'll probably be a few crashes, too.

World Open Squash Championships – Rotterdam – October 26th

The problem with the English is that we, as a nation, can't learn to collectively love the sports that we're good at, while the things that we're often a bit shit at are all the rage. Football? Nuff said. Rugby Union is a hit and miss affair, a messy tale of raised hopes and disappointments, and in Tennis we pin all our hopes and dreams to players such as Tim Henman and Andy Murray (who isn't even English for fuck's sake) who consistently manage to make a bollock of things when there's a chance they might win something important. Cricket? Well okay, but when's that bubble going to burst?

Surely we should start looking to slightly more obscure disciplines for our glory fix, sports where England regularly thrash the opposition and the nation would get to celebrate a lot. I'm rooting for Squash, a sport where England enjoys frequent success, boasting the number one ranked male player in the world, Nick Matthew, and the number two ranked player in the female section in Jenny Duncalf.

> **"Forget Rooney and co, we should consider making squash our national sport"**

Not only that, but at last year's World Open Squash Championships the men's final was contested between two English blokes in Nick Matthew and James Willstrop, meaning that if we actually gave a shit about the sport the national party and open-top bus parade around London would've been guaranteed before a ball had been struck – relax and enjoy.

Okay, so the sport is essentially just smacking a ball really hard against a wall with a few lines drawn on it in a square room, and perhaps not such a feast for the senses, but think of the victories, the celebrations and the glory. Think about the sense of pride! Forget Rooney and co, I think we should consider making squash our national sport. ♣

(Viv Thomas)

When it comes to European lesbians, Viv Thomas is your man. Here be girls you've seen in *Club* – the deadly fit Nikita, for instance – letting their fingers and tongues wander to various pink places. She's joined by Angelica Heart, Zafira, Cindy Hope, Angel Pink and others in some lovingly shot lesbo trysts that's heavy on close-ups of tongues probing twats. It's the freshest produce possible and, captured on DVD, it won't go off.

Dirty Movie Deadline
(Joy Bear)

Joy Bear's latest follows 37-year-old Canadian cougar Aleena as she travels to the UK to explore her attraction to porn before starring in her first ever scene. We get to know Aleena through behind-the-scenes vignettes as she witness Brit babes like Syren Sexton and Michelle Moist get balled. Then she delves into her own scenes, first with Danny D's monstrous penis, and a threesome with Megan Coxxx and an extremely lucky bloke. Skilfully made, it's a superior British porn film with a hint of Canuck fucking. ★★★★

The Crib
(Digital Playground)

A vehicle for recent contract girl signing Bibi Jones, *The Crib* is decent if unspectacular stroking fare. Bibi is drop dead gorgeous, with a killer body, but her scenes with Erik Everhard and Mick Blue never truly lift off. Sex-wise, she just lacks that special something that can elevate a scene above the ordinary – but maybe that'll come with practice. Instead, seek solace in Gracie Glam's scene with Manuel Ferrara, which crackles with energy and ends with her wearing what looks like a bowl of porridge courtesy of his goo gun.

Katy hits the bottle...

Katy isn't going to even try and pretend she's a real redhead.

"It's straight out of the bottle," she confesses, "as anyone can tell. I'm just upset I'm not a redhead. They used to mock them at my school, but a couple of years ago I was fucking a ginger-haired girl and I fell in love with her pussy and its wispy red hair. If I could be born again, I'd be a redhead."

And we'd worshop your wispy red muff.

"Thanks! Sadly, red-haired guys don't do the same for me, so I guess I'll have to stick to my current diet of red-haired pussy!"

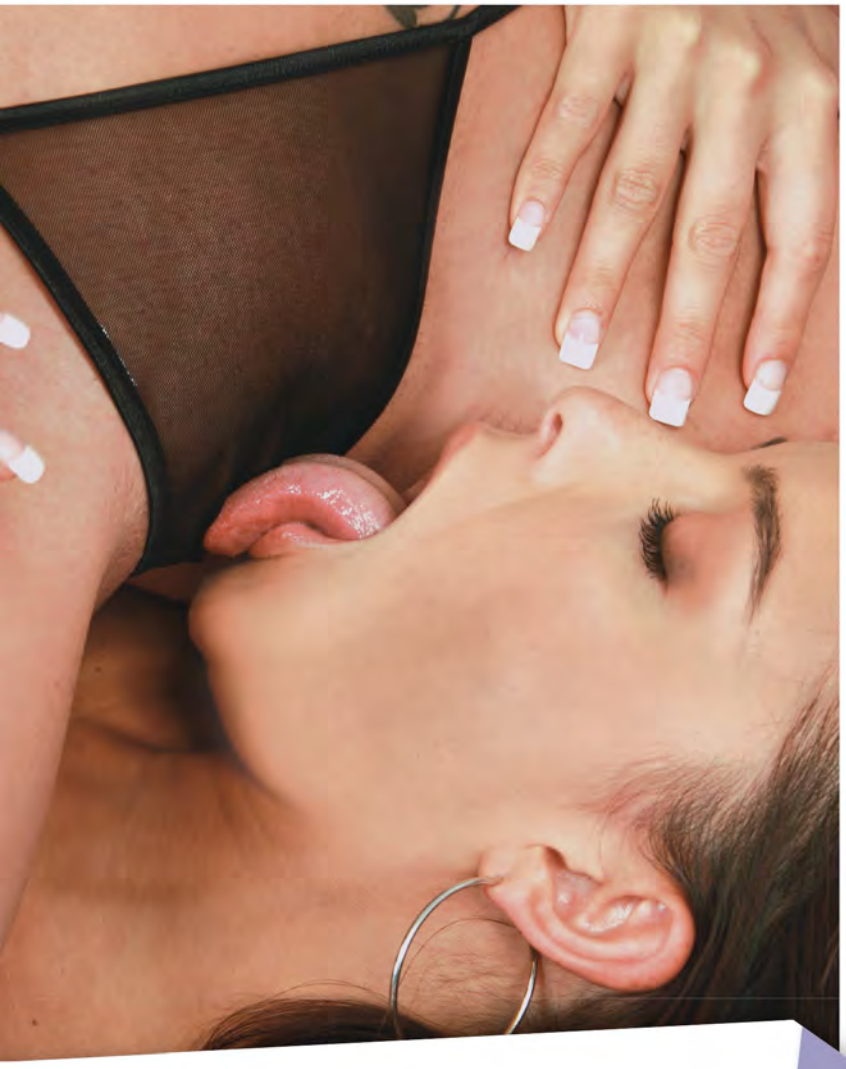
Sasha's Secrets

Every month, Club's sensational regular girl Sasha will act out your fantasies. She's not shy – write to her and tell her exactly what you want her to do. Who knows, you might be lucky enough to get Britain's fittest lass juicing up over your letter and then making it come to life. Oh, and she gets even dirtier online, where we've got the pics we can't show you in the mag!

Sasha's
Secrets

I don't like being sexually frustrated – not one bit! – so if I go out and I don't find a dick to play with, I'll call up one of my sexy girlfriends and get her to come over. Lexi is the one I call up the most, because she's always horny and takes no time to warm up. She arrives dripping wet where it matters!

Some girls I fuck are timid and others are more aggressive, and Lexi is definitely in the latter camp. She'll come through the door, push you onto your back, pull your knickers aside and go tongue-first into your pussy. And she won't come up for air until you've creamed in her mouth. Yep, she's a wild one, alright. She's normally got a new toy to try out as well, whether it's a strap-on or a monster dildo, and she loves me to fuck her with the strap-on while she's got a butt-plug in her arse. If all this makes her sound like a filthy girl, well, you'd be right. Sometimes she'll bring a bloke with her who gets to watch and wank while we fuck, and he can't touch us until we're good and ready. I love Lexi... ♣



Dear Sasha

I have a fantasy which I do sometimes 'cause I'm bisexual. You'd put a stick of rock up my arse and your finger, sucking furiously up and down my hard shaft, kissing, sucking on my balls, using your spit on my helmet. Working your hands faster and faster, building till I know I can't hold back no more and you withdraw the stick and your fingers and I shoot my hot, sticky spunk over your face, down your throat and over your tits, which you lick clean.
Simon, Brighton

Simon, you're a dirty sod – and all the better for it! I know a few guys who like to have their bum played with during a blow or handjob, and as long as they're clean, I'm happy to help. Having a guy totally in the moment is the best thing for a horny girl like me!

Dear Sasha

I have read *Club* a long time now. I live on Aland. It belongs to Finland but we speak Swedish on these Islands. My English is not so good, but here I do an attempt to write a letter in English. If you don't know what to dress, you can dress up in the uniform the drivers in London underground have. But your pictures are fine whatever you've dressed in...
Jan-Erik, Aland.

Ooh, I've not had a letter from Aland before. Sorry we had to cut so much of your lovely, long letter to fit it here Jan-Erik, but I do really appreciate your writing, and your English is a lot better than my Swedish! Good idea on the tube driver's uniform – there's something sexy about those trains entering those tunnels... ♣

The problem with many laptops is that they're so much heavier than netbooks and the problem with many netbooks is that they don't pack as much oomph as laptops. The Toshiba NB550 D is a more than decent attempt to bridge the gap. It's still portable, but looks chunky and solid, and with an AMD fusion processor, it can actually handle a bit more than the cloud computing most netbooks are only fit for.

There's a reasonable gaming card too, so you can play decent level games – if not the latest FPS shooters at the highest settings – and watch HD video. The downside? For not much more cash you can have a more fully featured laptop, or a slicker, more portable tablet that does much the same.

Pros: Good features and battery for something this light.

Cons: We didn't like the keyboard.

Motorola Atrix

www.motorola.com

The former big players in the mobile phone arena have, in recent years, seen their market share eroded by new smartphone companies, and even their best efforts mocked like they're 80's mobile bricks. But Motorola keep plugging away and this well-reviewed effort has some truly excellent features. Using its 'lapdock', it turns into a mini-computer, where Firebox browsing through the Linux OS is a real treat. It comes with USB ports, a trackpad, a lovely screen and is a decent phone, which increasingly seems not to matter in this marketplace but should.

Pros: Ace screen, good processor, features galore, browsing.

Cons: Can be pricy, needs an Android update.

Altec Lansing Octiv 450
Around £87.99
www.alteclansing.com

The joy of the iPad is its portability, but like all such gadgets, some people want to turn it into home entertainment (or use it for both, we're just being grumpy), so there are docks galore popping up for it already.

The Octiv 450 looks sleek, provides a good pair of speakers, and can be rotated easily for landscape or portrait viewing, all of which is pretty nifty. It needs to be plugged in, of course, which immediately makes watching it in bed more cumbersome than just having the iPad propped up on a cushion. However, as a kitchen-based stand for reading online newspapers while you eat your toast and marmalade – you big ponce, you – it's currently unbeatable.

Pros: Compact, good sound, rotates.

Cons: Needs plugging in, which can be pretty annoying at times. ♣

But it's undeniably there, and along with a few other hotties like Bobbi Starr and Daria Glower, she's definitely part of a rude rug renaissance.

We don't think the shaven snizz will ever go out of fashion, but we're glad that porn is now happy to accept that some girls just want to keep their nethers warm with a fine covering – and we're a broad church here at *Club*, as happy with thatch as with bare snatch. No. 15 – Sunny Lane

Pretty, blonde and All-American (with a hint of Irish, Scottish, German and Cherokee Indian), Sunny Lane exudes the porn star vibe. She entered the industry in 2005, having spent the previous year winning awards for her nude dancing. She was soon snapped up by the biz, acquiring an agent from Playboy very quickly, and gaining popularity from the get-go.

The weirdest part of her start in the adult industry is the support of her parents, who she lived with at the time. They would view video tapes of her sexual performances and give the young starlet critiques, claiming their free-thinking, naturist lifestyle gave them an insight into their daughter's career. Speaking as someone who has to confess they'd feel a twinge of unease at the idea of my mum and dad watching a video of me humping, I can only applaud Sunny's lack of shame in this matter. Sunny's had a few crossovers in the TV mainstream (sometimes with the alias Sunny Lee) on reality TV shows on US cable channels, and has worked as an escort at the Moonlight Bunnyranch in Nevada, but is sadly taking a hiatus from porno as of this year due to getting engaged. Booo. Just hope the guy she's getting hitched to is gonna be ready for ma and pa to critique his performance...

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: Linda Lusardi

Stalwart of panto and daytime TV (not to mention spells in *The Bill*, *Celebrity Come Dine With Me* and *Dancing On Ice*), Linda Lusardi will be remembered chiefly by most of us blokes of a certain age for getting her lovely tits and minge out in mucky mags (a couple of times only, mind you) and page 3 of the papers. And before you ask, of course we'd still give her one. Considering her age (early 50s) she still looks very fuckable, and hardly belongs in a column called *Bird off the Boil*, but the plain truth is I wanted to write about her and relive tweaking one off to page 3, opposite some news about the sinking of the Belgrano or something. Even that couldn't put me off my stroke when it came to Lusardi. That said, ask again in about ten years time and you might get a completely different answer. Only might, though, mind you.

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

FREDDY GOT FINGERED

Another month, another porno parody announced. This time, it's the classic story of a child molester who was burned to death by angry parents, who then came back to haut and murder teenagers in their dreams. In other words, not exactly the best material for a porn film. But that's not stopping director Lee Roy Myers (who also gave us *The Human Sextipede*) so *A Wet Dream On Elm Street* is definitely happening. Apparently, Freddy Krueger's iconic razorblade glove is being replaced by one festooned with dildos (which takes us back to one of our first porn parody favourites – *Edward Penishands*) and will be available for sickos to whack off to some time around Halloween this year.

HEAVY PETA-ING

Whaaaaa?!?!?! Animal-hugging activists PETA are launching their own adult site, to raise more animal welfare issues among those who think the web is basically just one big lovely porn magazine (people like us, basically). They're pushing their veganism-awareness-push, apparently (instead of their anti-fur campaign which, frankly, would make more sense) and will be using a mixture of sexy and disturbing images that viewers won't be expecting to see. Um, that sounds suspiciously like stuff that's going to severely put us off our stroke. We'll see. Much as I love a) nude ladies and b) animals being treated nicely, I'm not sure I want to see them at the same time.

THE BIT ABOUT BABES WHO LOVE TO BLOG...

Now, I'm not all up on my street speak, but dusky big-racked Havana Ginger sure does lay down some pretty urban epithets in her tweetage. That's right, she'll even say n-bombs. That said, she's funny, a bit crazy, likes her druggywugs, and fires her mouth off at all and sundry with hilarious regularity.

On top of that, she's all about taking photos of herself in the wide variety of cleavage-thrusting tops she owns, which is no bad thing. Oh, but she tweets about star signs a lot, which is a very fucking bad thing. Let's have a look at some of her recent ramblings:

"I hate when I wake up cuz of some crazy ass dreams....and it be feeling so real"

"Ewwwww..... Mountain Dew is gross....I learned today that I really don't like that soda LOL"

"I bought some bad ass come fuck me pumps today!! Can't wait to strut my stuff ;)"

"How u go through the drive thru and not have enough money to pay for ur food when u get to the window!? SMH! Bitch u holdin up the line!"

Follow Havana at **www.twitter.com/TheRealHavana** to hear her crack wise and to get glimpses of her chesticles. Just don't get all up in her ass. Or something.

Top Five...

Killer Robot Bustin' babes

They'll be back... to show you their boobs.

5: Linda Hamilton
The original Sarah Conner, Linda looks a bit (okay, very) 80s for us these days, but she got her little itty bitty tits out in the first *Terminator* film, and looked suitably pumped in the second. Looks like she'd like to go on top.

4: Claire Danes
Usually seen in soppy romantic dramas, Claire Danes in the 3rd *Terminator* flick does a bit of ass-kicking, going head-to-head with the sexy lady T-1000, in an otherwise shit film.

3: Lena Headey
Playing the lead in TV series *The Sarah Conner Chronicles*, fit MILF Headey (most recently seen in *Game of Thrones*) isn't afraid to get her circuits out from time to time.

2: Megan Fox
The most aptly-surnamed actress we can think of, lovely Meg kicked all kind of *Transformer* ass in the first two instalments of Michael Bay's fucking awful films.

1: Rosie Huntington-Whiteley
This posh (we assume) Brit model has taken over from the aforementioned Miss Fox to shoot guns at huge robots in the 3rd *Transformers* outing. And we imagine she's the only reason any sane person would watch it.

Capri stays winning...

When Capri first appeared in *Club*, back in issue 40/3, she was all over the news for her, ahem, 'involvement' with Charlie Sheen, then reaching critical mass in his meltdown. We're glad to say, however, that while others might have disappeared into hiding under the relentless media barrage, Capri has kept on doing what she does best. Namely, looking really fit and occasionally handling penises and vaginas in adult films. Mostly vaginas, it has to be said, but when faced with a penis in a film, she acquits herself handsomely. All of which might explain why certain TV stars might have been prepared to give her a lot of money to spend some time in her company. We've personally got £56.24 in a kitty so she'll go to the Wetherspoons over the road with us one day... ♣

FAVE SEX: Me on top!
WHAT'S SHE LIKE? Like a good catwalk model... gone bad!

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
If you want to be taken seriously as a glamour model, this is the place to start!

WITH THAT FIGURE, WE'RE SURPRISED YOU'RE NOT ON THE CATWALK.
I tried that, but it's really boring and bitchy – in glamour I'm hoping to meet some much sexier people. I'm a bit obsessed with sex.

AH, YOU'RE OUR KIND OF GIRL!
Well, I was a late starter at 19, but I like to think I'm making up for it, and I'm clocking up plenty of naughty experiences.

CARE TO SHARE?
Well, I just had my second threesome. The first was with two girls, but this time was with two men – and I let them do everything!

IS THAT HOW YOU KEEP THAT AMAZING FIGURE IN TRIM?
Ah, the secret to keeping the weight off is that I like to spend a lot of time on top during sex. I can bounce up and down on a dick for hours, and what better way to burn up some calories, eh? ♣

TABLE FOR SMOO!

I've always been a bit of a goody-goody when it comes to sex and even though I'm 24 I've only ever slept with five different boys. My best friend Alison once slept with more guys than that on a fortnights holiday in Zante, and I've often thought that I seem to be missing out on all the fun. It's not that I've got any difficulty in getting guys to chat me up, it's just that I'm a bit shy and tend to go in for longer-term relationships rather than one-night stands. I've got a really high sex drive though, and I often fantasise about doing all sorts of really wild and kinky things!

One of my favourite fantasies is to imagine myself having sex with two or three guys at the same time. I love the thought of being fucked by several men at once although I never thought in a million years that I'd ever end up doing it! I should have known better with a mate like Alison though. She's pretty much up for anything when it comes to sex and she's such a babe that she's never short of offers.

About three months ago we'd been for a bit of a girlie night out on the town and ended up quite late in an Italian restaurant for a quick pizza before getting our taxi home. The waiter was a really cute looking guy called Alberto and we had no difficulty getting a table even though I think they'd been getting ready to close for the evening.

There were two waiters, the manager and the chef, and before long we were dancing with them round empty tables and sharing pizza that they'd been preparing for their own meal before we arrived. Then we started dancing on the tables and slipped our arms around each other's waist and the guys wolf-whistled as we moved together sexily in time to the music. We were both getting a bit carried away on all the wine, and the sexier we got with each other the more the guys loved it. My head was spinning as our lips slid together and our tongues slipped into each other's mouth. I don't think I was quite sure about how far we

were going but I knew it was turning me on and I certainly didn't want to stop! I'd never snogged another girl before, although I had thought about it, and Alison was so pretty that if I was honest I'd probably always had a bit of a crush on her anyway.

Climbing down off the table we stumbled slightly, not wanting to break from our delicious kiss, and I was aware that apart from the music everything else had gone very quiet. She was really starting to turn me on now and her hands began exploring all over my body as our tongues delved deeply into our open mouths. Suddenly I felt strong masculine hands on my hips and hot breath on the back of my neck. Whoever it was was being a bit presumptuous but I was feeling so horny now that I really didn't care what happened.

It turned out that the guy behind me was Nico and I was pleased that he'd come to me first as he was the younger and better looking of the two waiters. The manager had closed the curtains and locked the door now and I knew that before long the guys were going to be fucking us both silly. I broke away from kissing Alison momentarily to make sure she was happy about what was going on and grinned as I saw the dreamy look in her eyes of pure lust!

"Nico was moaning and gripping my hips as he pumped rhythmically inside me"

Nico was squeezing my bottom and nibbling the back of my neck as my tongue slipped back into my best friend's open mouth. I can remember feeling a bit apprehensive about the manager and the chef as they looked like they were both in their late forties and I'd never screwed anyone that old before. I didn't really have time to think though as they were all round us now and I felt the chef push his hand in-between our bodies. He was stroking my flat stomach through my T-shirt whilst Nico continued to squeeze my bottom and nibble the back of my neck. I gasped, making a sucking sound against Alison's mouth, as the chef slid his hand under my T-shirt, pressing it flat against the bare skin of my tummy. I tensed slightly, and then relaxed again as he began to move it around and around, and then moaned as I felt Nico lift up my short skirt at the back and push his hands into my little white panties.

Breaking away from Alison, I sort of leaned back into Nico and let the chef pull my T-shirt up over my head. As he did so Nico unfastened my bra at the back and before I knew it the middle-aged chef's lips were sucking expertly on my nipples. Nico slid his arms around my waist, stroking my tummy before slipping his fingers into my panties at the front. I almost purred as his middle finger found my wet groove and I leaned back against him weakly as the chef continued to nibble and suck on my hard little buds.

The feeling of doing something I felt I shouldn't was only exciting me even more. Alison was snogging Alberto and as I watched she dropped to her knees in front of him and unfastened his trousers. She pulled his underpants down to his knees and I think we both sighed silently in unison as we saw his hard cock spring up in front of him. It was a lovely sight as I watched her slip it into her mouth, and it was a huge turn on to watch her sucking it in and out in-between her lips.

I moaned quite loudly as Nico's fingers moved further down in-between my legs rubbing them around and around the

> **"The chef's tool was bumping against the back of my throat as he got excited"**

entrance to my wet hole. "Oh Nico just fuck me," I sighed, desperately wanting to feel him inside me, and I bent forward as the Italian gently pushed me into the doggy position. He surprised me then by just grabbing the waistband of my panties and pulling at them forcefully until he ripped them off my body. That just turned me on even more and when I felt him rubbing the tip of his stiff cock up and down against my wet slit I thought I might cum there and then! The chef was pulling his clothes off as Nico positioned his cock over my wet hole, and I mewed like a kitten as he pushed it deep inside me. It was so erotic letting a complete stranger fuck me like this, and my breathing became ragged as I watched the chef strip off in front of me. His cock was sticking straight up like a missile about to be launched and I opened my mouth wide to create another warm, wet hole for him to fuck.

It was strange having such an older guy's cock in-between my lips but that just made it even kinkier knowing how much it was probably turning him on to be screwing a much younger girl. I moaned all over the chef's cock as Nico pushed his rock hard shaft deep inside me. He held my bottom quite firmly with one hand and pressed his thumb against my sensitive pink bum hole so that it sunk in up to the knuckle. Nico knew exactly what he was doing and very skilfully pushed his thumb in and out of my bottom building up a rhythm that was driving me wild.

His cock was the biggest I'd ever had inside me and I could feel myself being stretched open to accommodate his firm thrusts. I slid my fingers between my legs to rub my hard little clit and gasped as I could actually feel Nico's hard cock moving inside my tummy as he fucked me. The chef's tool was bumping against the back of my throat as he grew more and more excited and I became aware of the manager who was now kneeling next to me and masturbating as he watched his colleagues fucking me.

Alison was on her back now with Alberto on top and I could see his bottom moving up and down with long deep strokes, burying his shaft to the hilt and then pulling out until only the very tip of his cock was inbetween her

lips. They were both kissing passionately and I think she'd forgotten about the manager, which is why he'd come over to me. My belly was heaving now and my breathing was becoming ragged as I felt myself approaching orgasm. I reached over and grabbed the manager's cock and quickly popped it in my mouth in place of the chef's. He let out a long moan, relieved to get some of the action and after only a couple of thrusts his cum spurted onto the back of my throat and pumped out onto my tongue. I began gasping now as my own orgasm started, and, sucking every last drop of tangy cum out of the manager's cock, I let the chef push his shiny knob back into my mouth.

I hadn't had time to swallow the manager's spunk when the chef grabbed handfuls of my long dark hair and pushed himself right to the back of my throat. Nico was moaning and gripping my hips like a vice whilst pumping himself rhythmically inside me. Then he cried out and with his hips jerking against me his spunk spurted deep inside my tummy. At the same time I had the chef's cock pulsing in my mouth and just as I sensed he was about to cum he grabbed the back of my head and flooded my mouth with more hot sticky sperm. My own orgasm shook my slim body in waves of pleasure as come dribbled over my lips before I was able to swallow every drop. I'd never had so much spunk in my mouth before and I was sort of gulping and gasping at the same time. I felt so dirty being fucked by two men and I think that orgasm was probably the sweetest I'd ever had.

Alison and Alberto were still screwing but now they'd changed position and were doing it doggy-style. I crawled over to Alison and snogged her whilst she was being fucked. Seeing Alison kissing me was too much for the good-looking Italian and I watched in delight as his face contorted in a delicious orgasm. With his cum pumping inside her and my tongue in her mouth Alison shuddered to her first climax.

By this time we'd all got over our initial impatient hunger for sex and the manager invited us all up to the little flat upstairs. We spent most of that night fucking and sucking in different positions but eventually the guys fell asleep just leaving me and Alison lying in each other's arms and kissing each other tenderly as the sun rose. We've never had another session with the Italians although we do get free meals whenever we go back!

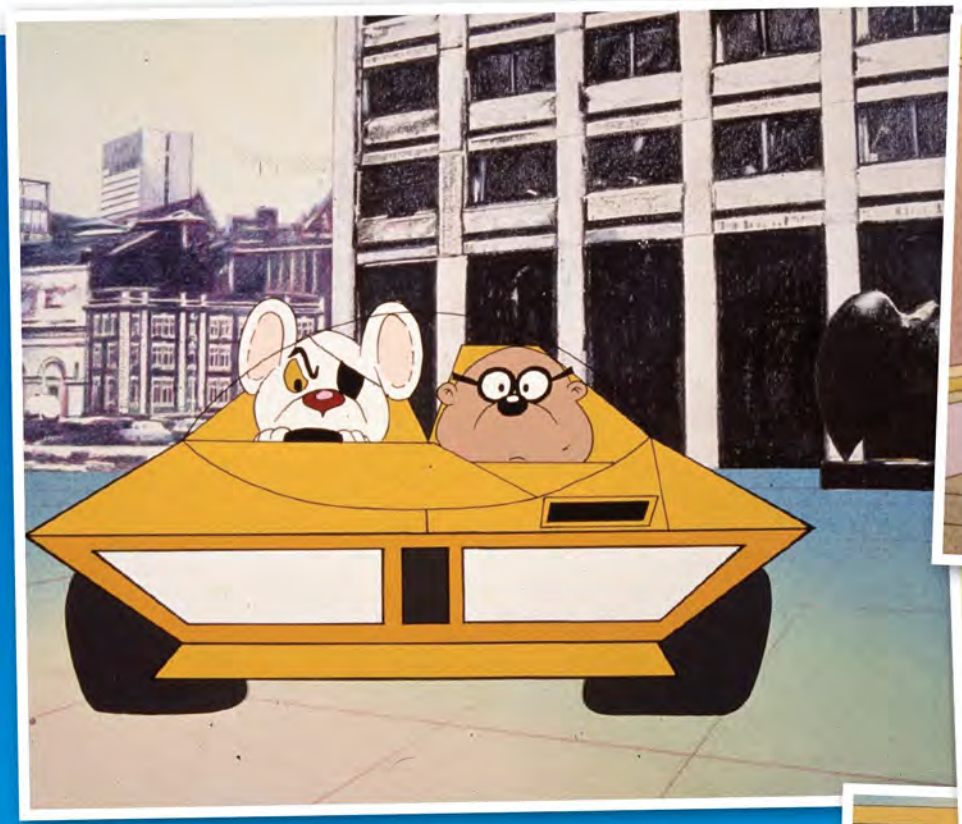
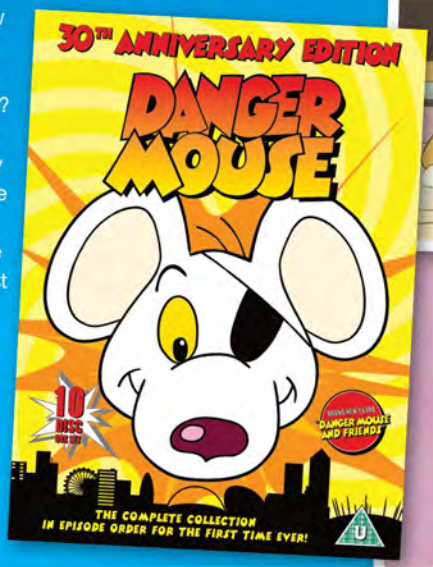
RATINGS: ★ STUART LITTLE ★★ MICKEY MOUSE ★★★ RASTAMOUSE ★★★★ ROLAND RAT ★★★★★ DANGERMOUSE



Danger Mouse
The Complete Collection

(FremantleMedia Enterprises, DVD £49.99)

Nostalgia can easily kick you in the teeth. How many of us have bought box-sets of retro TV only to find that the fondly remembered show of our youth actually now sucks beyond belief? But then the reverse is true – the haze of time can allow shows that weren't actually ever any good at all to seem wonderful, merely because you watched them before your life turned to shit. Well, *Dangermouse* is the other show, the show that seemed great at the time, and is just as fresh and funny today. The casting helped – David Jason as Dangermouse and Terry Scott as Penfold were warm, familiar voices, and producers Cosgrove Hall's animation was top quality, funny and packed with detail. With over 20 hours of Dangermouse and his sidekick foiling the dastardly plots of Baron Silas Greenback, this is the perfect way to mark the show's 30th anniversary.



★★★★★

Fremantle have kindly given us a box-set to give away to one reader. Simply email clubint@paulraymond.com with the name of Baron Greenback's pet caterpillar to have a chance.

Pieces
(Arrow Video, DVD £15.99)

Pieces gets off to a tone-setting start as a young boy is told off for playing with an erotic jigsaw and responds by taking an axe to his mother's head. Cut to 40 years later and a Boston university campus is home to a series of grisly chainsaw and axe murders. Full of scantily clad co-eds, bloodshed and close-ups of chainsaws and axes ripping through obviously fake flesh, it's a garish and schlocky 1982 joy, with a brilliant aerobics scene that's up there with the one in *Perfect*.

★★★★

We have 3 copies of Pieces to give away. Email clubint@paulraymond.com with the name of the American state that Boston is in. Easy!

Midnight
(Arrow Video, DVD £15.99)

John A. Russo is best known for co-writing *Night of the Living Dead* with George A. Romero, but here adapts his own novel for this fun if generic slasher. Nancy (Melanie Verlin) ends up on a road trip with a couple of small-time crooks after she flees her lecherous stepfather, but things take a nasty turn when her new friends are murdered by some corrupt policemen, and she's left at the mercy of a bunch of Satanists. Good, if second tier, slasher fun.

★★★

We have 3 copies of Midnight to give away. Simply email clubint@paulraymond.com for a chance to win one.

Erik the Viking: The Complete Viking
(Arrow Video, DVD £15.99)

The success of Monty Python allowed its members a great deal of latitude when it came to spin-off projects. Some cemented their legends as comic geniuses, others are Eric Idle. Terry Jones wrote and directed (as well as acting in) this, casting Tim Robbins as the eponymous hero, a reluctant Viking who doesn't get the whole 'rape-and-pillage' vibe'. It's a good comedy set-up, and he throws a nice cast into the mix too – John Cleese, Mickey Rooney, Jim Broadbent – but it's largely a muddle and a misfire. But with those caveats, it's still shot through with a strain of Python DNA that eventually wrings some laughs out of you. It's still a must for any real Python fan. ★★★

Erotibot
(Bounty Films, DVD £16.34)

As strange as it sounds, erotic sci-fi fantasy is a long established genre, and if ever a movie was tailor-made to slot snugly into it, *Erotibot* is that film. Tomayo, beloved daughter and heir to a fortune, is looked after by three androids – one strong, one handsome, one clumsy – who take care of her security… and more besides! The jealous Tsukiyo, meanwhile, hires a private dick to spy on Tomayo and uncovers a secret the latter is keen to hide. But will the androids side with Tomayo or Tsukiyo? As deranged as that premise sounds, this is great fun, sexy and silly in equal measures. So reserve some space in your erotic sci-fi fantasy collection…

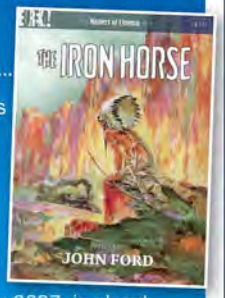
The Iron Horse
(Eureka, DVD, £20.34)



While we're all largely familiar with the masterworks of Welles, Hitchcock or Ford, the real pleasure of the Masters of Cinema series is how it sheds light on the formative works of such legends. John Ford's place in the pantheon is guaranteed by canonical classics like *The Searchers*, but this 1924 silent gem shows his precocious mastery of the Western. This 150 minute cut, with a score from 2007, is about the coming of the railroad, and plays out many of the themes that would become familiar from Ford's later movies. His first hit, it's more than a master finding his feet, it's a fine film in its own right.

Treasures of the Rolling Stones
Glenn Crouch (Carlton Books £25.00)

Increasingly, as bands try to control their legacy and how they're remembered, the words 'Unofficial' and 'Unauthorized' are good news for the reader – we might get to see something the band don't want us to see. While that might not necessarily be true, Carlton's latest *Treasures…* book is a delight for Stones aficionados. All 50 years of the group are covered, with facsimile material including a wonderful 1963 poster for a 'Teen Beat Night', postcards, tickets and a hotel rooming requirements letter that includes the note 'Keep Bill Wyman away from Keith because of noise'. All of which makes it so much better than the approved history.

Yellowman
Justin Quirk & Warren Holder
(Available from http://yellowmannovel.tumblr.com)

The Victorian era has supplied rich pickings for graphic novelists, perhaps because of the rich, peasouper atmosphere it contributes to even the slightest tale. Perhaps the continued mystery of exactly who Jack the Ripper was allows authors and illustrators to give birth to other monsters who move in the mist and shadows. This, the first collaboration between illustrator Warren Holder and highly-regarded journalist Justin Quirk is ripe with the tropes of the period and they conjure a terse but expressive story in monochrome that leaves you gripped and clamouring for the next instalment. Exquisitely detailed, this is an immensely promising debut.

ALBUM REVIEWS

NOEL GALLAGHER

High Flying Birds (EMI)

A bit like shagging an old girlfriend, High Flying Birds brings back memories of those classic B-sides that Gallagher used to write in the mid 90s. It's a refreshing change from the boring crap that Oasis have released in the past decade and is miles better than the Beady Eye bollocks that his brother has been knocking out.

JAMES

The Gathering Sound Box Set (Mercury)

£88 buys you the following: new album on CD, 2 CDs of rarities, a live DVD, 12" vinyl of demos, 8 GB USB stick of every James album and video, an A5 booklet, 4 badges, a 44 page scrap book, & 4 replica backstage passes. For James fans, then.

COLDPLAY

Mylo Xyloto (Parlophone)

Coldplay are great for long haul flights and are a more socially acceptable alternative to diazepam – put the eye mask on, tell the kid next to you to shut up, play this, and you should wake up at your destination – preferably by an 18-year-old air stewardess gagging for a shagging.

MANIC STREET PREACHERS

National Treasures: Complete Singles (Columbia)

If you've somehow managed to get through life without owning any Manics albums, then here's a cheap and reliable starting point in the shape of 2 CDs and 38 tracks. Get your Mrs or a random slag, press play, and have top quality sex whilst listening to a top notch band.

HANK 3

Cattle Callin/Ghost To A Ghost/ Gutter Town/Attention Deficit Domination (Hank 3 Records)

The Grandson of Hank Williams has started his own label and is now releasing 4 albums on the same day! 2 of them are country and 2 of them are heavy metal! What a crazy chap. The country albums are great whisky and fanny accompaniments.

The GILF HUNTER

Club chats to Effluence singer/ guitarist Sam Curran and bassist Chris Fletcher…

What was your first sexual encounter with a young lady?

Sam: We went camping once with a load of mates and there was this horrible girl – it was one of the worst experiences of my life. I was 14 and I lost my virginity to her.

Did she have a hairy fanny?

Sam: Yes. She was proper drunk and my mate was egging me on to shag her. He was there next to me going, "Go on, do it. Shag her."

Classic. Tell us a story about fingering a girl.

Chris: I was once round at this house fingering a girl whilst her 4 brothers and Sam were sat on the end of the very same bed whilst watching *The Naked Gun* – I got a bit bored of the film so I just kept on havin' a do at her. Her brothers didn't have a clue.

Ever been shaggin' in Amsterdam?

Chris: No, but I went to Newquay and spent a load of money in a strip bar. Me and Sam got a lesbian show together and they sat us both down. Sam was that excited that he kept telling me what was going on – he couldn't control himself. He was like, "Look at that, look at that." And I was like, "I can see what they're doing Sam, I'm not exactly looking away!"

Got any holidays planned?

Chris: I'm off to Benidorm soon and I'm gonna try and get myself an old bird – I'm into the old ones. I'd love to get myself a GILF in one of the working men's places. And I'm gonna see that Sticky Vicky.

Sam: Why don't you go to the local tea rooms?

Chris: Because they wouldn't be drunk!

What's the oldest you've ever shagged?

Chris: I've not actually had any old ones yet – it's a new thing that I'm trying to get into.

Would you bang a 75-year-old?

Chris: If she looked alright – I've seen some on the internet and they look good.

What sort of girls do you go for?

Chris: Not the ones that know they're fit – ones that are fit but don't really know it.

Ever had a 3 some?

Chris: Yeah, me and my mate once 2'd this lass when we were drunk – we called her "Ganger". We were doing a tag team and high fivin' and that. I'd slept with her before and I was round at my mate's house where she lived after a night out. I was going to sleep and she texted me, wanting a bit. My mate said, "Let's just both do her." I texted her back saying, "My mates here, can we both have a do?" She just came downstairs and the rest is history.

What was it like seeing your mate's cock?

Chris: He gets it out all the time so it wasn't that weird really.

Got any kinky fetishes?

Chris: Pissing, I could get into that. I haven't actually done it yet but I've seen it on the internet and it doesn't look so bad. I don't know why it does it for me – it just does.

Ever had 2 girls at the same time?

Chris: No, that would be good. I'm going to try and do that in Benidorm with the older women if they're up for it.

Good lads – keep on shaggin' and good luck with the old girls, Chris!

FULL MOON RISING!

Words: BILLY CHAINSAW

Having nabbed a crown at the recent TVX Shafta awards, blonde stunner Syren Sexton upped her game by getting cast in the upcoming comedy horror flick, Strippers VS. Werewolves.

The latest outing from London-based production company, Black & Blue Films, it's a full-tilt *Kick-Ass/Machete*-style actioner. The feature opens with a geezer getting so excited during a lap-dance that he suddenly sprouts fur, fangs and claws. But just as the slavering fucker's about to attack, he's violently wasted by a silver pen-wielding stripper (*Emmerdale*'s foxy Adele Silva); prompting his wolfman buddies to seek flesh-ripping revenge.

Thanks to our spy on the inside, we're glad to report that while Syren wasn't cast as one of the film's erotic dancers, her role does see her sans kit. "She plays a young lady trying on clothes in a department store," reveals producer Jonathan Sothcott. "Unfortunately, the changing room is fitted with a two-way mirror into the wolf pack's lair, so she gets kidnapped and terrorised by them!"

When asked why he gave Ms Sexton her big screen break, Sothcott was just as forthcoming, "I needed a beautiful girl who would be totally at ease with nudity on screen," he says. But let's face it, none of us will be watching *Strippers VS. Werewolves* for Syren's acting ability anyway! Although Sothcott does assure us, "She screams a lot and was actually VERY good." Still, as much as Sexton titillates, it's Silva who ultimately steals the show. Playing top-billed stripper Justice, the soap star doesn't just strut her sexy stuff, she also turns savage when she eventually transforms into a shotgun-wielding werebabe. "I had a problem controlling my saliva when the teeth were put in," Adele reveals, "it took a while to get used to dribbling!"

Which is exactly what you'll be doing too, when faced with Adele, Syren and the rest of the semi-clad posse; which also includes *Hollyoaks*' Ali Bastian and *Casualty*'s Coralie Rose Frankly, you'd be barking to miss *Strippers Vs. Werewolves* when it's unleashed at your local multiplex this winter. ♣

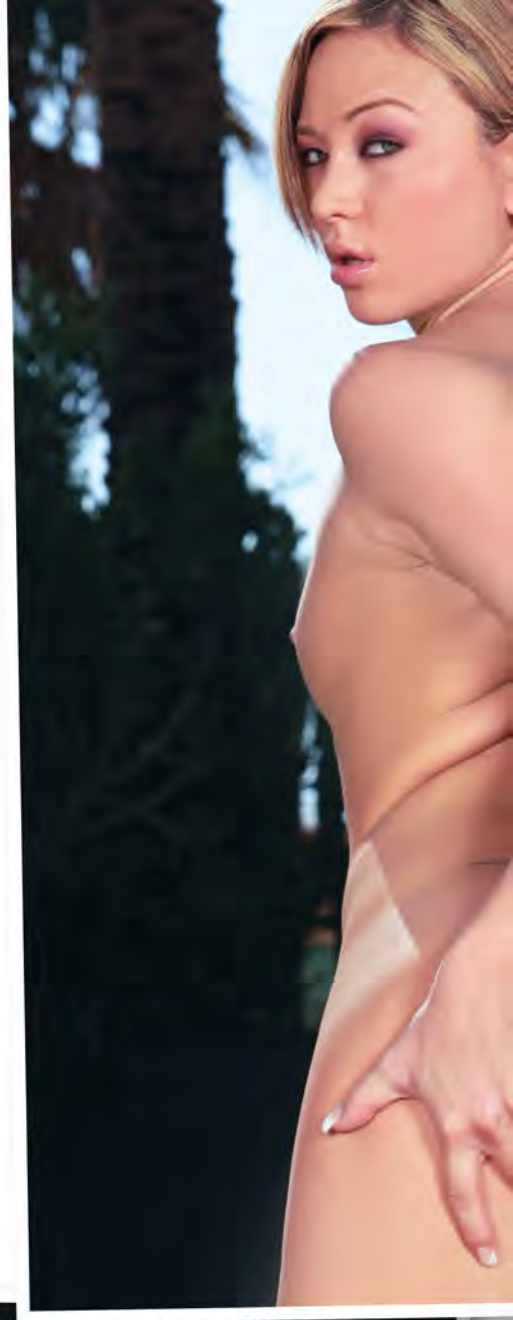
PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...



CAR WHORES

I've been married for four years. My husband Paul is great but he's always so knackered from working long hours as a City trader that he never wants to make love. When Paul left to take some clients to Barcelona, little did I know I was about to have the most mind-blowing sex of my life. It all started innocently enough. It was a bright Saturday morning and I decided to wash the car, so I put on a few old rags and set to work.

I was washing the bonnet when I sensed someone staring at me. I turned around to see my neighbour's 18-year-old son Jeff: "Morning," he said, looking straight at my tits. I waved and turned back to the car. As I bent over, I knew he was still watching, so I put on a bit of a show. I arched my back and pushed out my arse so my shorts rode up my bum.

Turning around again, I noticed Jeff had one of his mates with him. I felt a bit embarrassed as they approached the car. "Do you need a hand? Me and Mike aren't doing anything." How could I refuse? As I washed the top of the car, Mike came up behind me: "You should do it like this." He grabbed the sponge and leaned into me, his hard-on pushing into my bum. I felt a shockwave shoot through my crotch as he rubbed against me.

Jeff clocked us as he finished washing the car. I could see him brushing his hand against his prick. "Now you've done the outside, you might as well do the inside," said Jeff. My hands were trembling as I drove the car inside the garage. Jeff appeared at the driver's side, his trousers undone. He had the most gorgeous hard-on I'd ever seen. I hungrily took him into my mouth and licked up and down his cock tasting his salty pre-cum. He rammed his cock further down my throat as I played with his balls.

Mike got in the other side of the car and grabbed hold of my tits and started kissing and playing with them. My cunt was on fire, I was desperate for one of the boys to lick me out. Slipping out of my shorts, I could feel my wetness seeping through my knickers as Mike's hot breath got closer to my pussy. He started licking up my slit, drinking the wetness from my pants. Mike pulled my knickers to one side roughly and his tongue went straight for my deep wet hole. I grabbed hold of his hair and pushed his head harder down onto my cunt. His fingers found my arsehole as he tongue-fucked me.

I opened my lips a little wider so Jeff could fuck my mouth and his balls bulged with the cum he was about to spray over my face. Mike was bent over licking me while he wanked his big stiff cock. Jeff's prick got so hard and long I thought I might choke. I heard him moaning but I couldn't see his face as he was leant over the car. As he came, he sprayed his spunk all over me and the car. It was so sexy and dirty that I just let rip with the most full-on orgasm I'd ever had all over Mike's face. It felt like it went on forever as Mike sucked on my clit. I looked down to see Mike wanking until he came over my belly and tits.

Now, I couldn't let these two guys go without being fucked senseless. We went through the garage door into the house and headed for the bathroom. We've got one of those big walk-in showers so all three of us could fit in together nicely. The boys started soaping me up. Mike and I started kissing as I reached down and held his prick; I could feel it growing in my hands. Jeff was fingering me, rubbing my clit and then shoving three or

> **"I felt his cock penetrate a little, then he pushed deeper and deeper"**

four fingers up my cunt. I could feel my hole stretching open, ready for some cock.

Mike's prick was huge but I wanted bigger. I started telling him how I wanted him to fuck me up the arse while Jeff fucked my cunt. Mike leaned back against the glass of the shower and pulled me on to his cock, he got some soap and lubricated my bum. It stung at first but felt really sexy. I felt his cock penetrate a little, then I relaxed and he pushed deeper and deeper. Jeff was licking my tits and wanking his cock into my pussy. I didn't know which sensation to focus on, my arse being fucked or the cock up my pussy. Mike pushed his prick up my tight bumhole and Jeff licked my nipples as he fucked my hot wet juicy cunt.

I felt Mike's cum as it shot up my bum and Jeff thrust into me, sending the most unbelievable sensations through me. I came in floods, my muscles spasming tightly around Jeff's cock, which made him shoot his load up my pussy. With the rush of blood to my head and the choking steam, I thought I was going to faint. We washed ourselves down and got out of the shower and headed to the bedroom.

I fucked those boys all afternoon until I had to go and pick up Paul from the airport. He noticed that I'd cleaned the car and commented on what a great job I'd done. I was still horny so I shagged him in the car park. Now, every time I get bored I just think about those boys and fuck Paul's brains out.
April, Egham

STUD-U-LIKE

Before meeting the man I'm going to tell you about, my sex life was quite good, but nothing like I'm up to now. I always enjoyed trying a variety of positions with lovers, but the last thing I thought I was was 'kinky'.

I met James through a mutual friend. I was immediately attracted to him, so I was delighted but nervous when he asked me to go out with him. After several glasses of red wine I stopped feeling shy and started to loosen up. I was rather surprised though when James said, "I want you to come back to my house as I think you and I would be perfect in bed together".

Most of the men I had met before used the 'come in for a coffee' line, or something as corny, so I was impressed with his honesty and self-confidence. Within ten minutes I was in his bedroom. It was just what you'd expect a stud's room to be like, including, and I know it sounds unbelievable, a mirrored ceiling! The big bed was as wide as it was long and when I sat on it I realised it was a waterbed.

James' first kisses on my neck were featherlight, giving me little sucks and nibbles and sensual bites. Then slowly, undoing the buttons as he went along, his mouth moved towards my breasts. My bra was almost bursting with my ripe, round breasts, and the pink nipples were standing high and hard.

With a sudden surge of passion, James began sucking my left breast, not just my

"Slowly, I lowered myself down, my bottom opening around his pole"

nipple but trying to take as much of my boob into his mouth as possible. Then he moved down my body with gentle kisses, stopping only briefly to tickle my belly button with his tongue. Expertly, with his teeth, he worked my white panties, wet with sexual excitement, over my thighs and down my legs.

I opened my legs wide, closed my eyes and waited impatiently for his tongue to give me a good licking. "Come on!" I murmured after waiting for several seconds. Suddenly I felt my pussy being tickled by something that definitely didn't feel like James' tongue. I looked down and saw James with a can of whipped cream, spraying it against my pussy while he grinned. "I want your pussy to be the creamiest ever!" he exclaimed before lowering his head and excitedly licking the cream up, lashing his tongue against my clitoris over and over. Usually, I am coolly calm during sex but this was driving me delirious. I was crying so loud I must have sounded almost hysterical. I wrapped my legs round his neck and started to grind my mound hard into his face. His tongue was snaking up far into my tight cunt hole, tongue-fucking me in an incredibly orgasmic way. I groaned, hovering on the edge of an intense orgasm. My desire for his prick was getting hotter. James had totally overcome my inhibitions, and made me moan "Fuck me properly now James!"

I felt sure his cock would be large and I was right. Actually, when I first saw it, I was rather shocked. I couldn't guess exactly how many inches of thick, throbbing prick there were, but I know that they don't make them like that every day!

Beside the bed was a large pot of strawberry lubricating jelly that I hadn't noticed before. James untwisted the lid, took out a large scoop and began rubbing it over his immense prick. I couldn't take my eyes off watching his hand run over the inches which glistened with the jelly. Then he took another scoop from the jar and I watched fascinated, as he smoothed the cool jelly around my pussy lips and down to my bottom hole. He massaged it all over my clitoris, and then pushed his jelly-covered fingers deep inside both my openings. It felt fantastic, and I wanted him so badly now.

He lay down on my bed next to me and pulled me over so my body was on top of his. We started a searching, probing kiss and I savoured the taste of whipped cream and pussy juice in his mouth. His prick was digging against the fleshy softness of my bum cheeks, so I took hold of his cock and guided it towards my bum hole.

Slowly, I lowered myself down, my bottom opening round his pole. I moaned as each inch filled me. This was unbelievable and though there was more of his prick left I stopped lowering myself when I was filled with a fat six inches. I raised my bum up

the pole, then gently down, then up again slowly, repeatedly, managing to push a little more of his prick into me each time. I started delicately, delighted by the look of pleasure on James' face, then faster and harder, ramming him up me until finally I was able to take his fat cock in my arse with each stroke and grind myself against his pubic hair.

I felt I was right on the edge before but now the feeling of my bottom being stretched by James' prick and the sensations spinning through my clitoris sent me right over the edge. "Ooh, I'm cumming!" I moaned, as I slid up and down on his cock, while James grabbed my big bouncing tits and squeezed them hard.

As my orgasm subsided I opened my eyes and saw James, his face red and his teeth gritted, just on the point of cumming. I quickly slid off his prick and rubbing it with my hand I managed to spray his thick globules of spunk all over my titties and stomach.

We both fell asleep quickly after that, exhaustion having overwhelmed us. I woke the next morning to find James rubbing his prick between my breasts. Since then he's taught me a lot. We go to sex shops and buy new products. Now, whenever he goes on one of his business trips, he knows I'm being kept well and truly happy.

PURPLE MONSTER!♣

Andrea's getting all subliminal...

Andrea, we have a theory. We reckon you've furnished your room here in purple because it reminds you of a hard, throbbing penis. What do you think?

"Good theory. And now you mention it, yeah, I can see what you mean. Just one problem."

What's that?

"This isn't my place. It's the photographer's. And he's a man. So it seems to me you're saying something about him!"

Erm, no. If it's a man's room, then we're sure it just reminds him of sweet pussy lips, that kind of thing.

"Whatever you say guys, but I'm going to tell him..." ♣

ANDREA

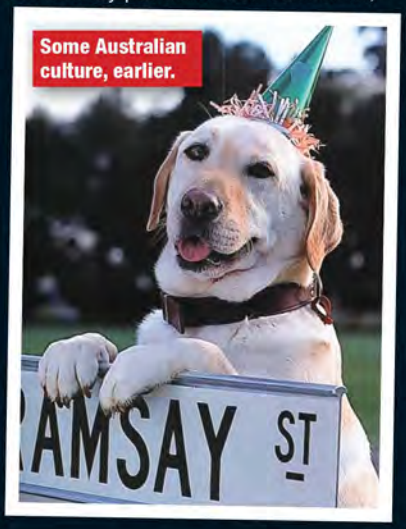
What our well-placed moles are telling us this month...

Down The Wire

Art Arses!

Considering that the Australian contribution to the arts can be summarised as '*Neighbours*/Bouncer/*The Paul Hogan Show*', you'd think the government over there would want to encourage artistic freedom. It appears not. The Aussie government recently put down their cans of 4X, hopped off the kangaroos they use as transport and took off their dangly cork hats long enough to issue a report that all artworks should be age classified.

This is, apparently, 'regardless of the medium of delivery' so would apply to paintings in a gallery as well as films and even mobile phone apps. How they intend to police this ridiculous idea isn't immediately apparent, although we imagine it'll be done by some highly-trained chooks.



Some Australian culture, earlier.

The seven minute itch!

While we've probably all seen the early footage of a young, unknown Marilyn Monroe (then Norma Jean Baker) cavorting in the altogether, it seems that some vultures aren't content to let her rest in peace. In Buenos Aires, Argentina, a Spanish collector of memorabilia by the name of Mikel Barsa claims to possess a seven minute black-and-white sex tape of Marilyn, which he's planning to auction. He wants just north of £300,000 for it. The problem is, many Marilyn experts reckon it's a crock, pointing to facial and even body shape differences and generally calling Barsa a bullshitter.

Grope Expectations!

To South Korea where, as if it's not bad enough living just underneath a bunch of nuke happy commies, women are routinely groped on the metro network. Following similar moves in other Asian countries, where it seems it's par for the course for blokes to cop a feel on the tube or train, the Seoul metro has announced the introduction of women-only carriages after sex attacks peaked recently. They tried it before in 1992, only for lecherous blokes to board the female carriages anyway. This time, they'll be prevented getting their fingers wet by security guards. Of course, the men should benefit too – they won't have to witness the reading of any Marian Keyes books.

When Mums attack!

We've seen enough American TV to know that the country is full of weirdoes on the prowl, and 48-year-old Robert Harding certainly fits the bill. Lurking near Holly Pullen's house in Iowa, he was staring at her 13-year-old daughter. Pullen confronted Harding who simply asked her how old her daughter was, if he could marry her and if she'd sign paperwork to that effect. Most women would immediately call the police, or shout for their husband to deliver a shoeing to the miscreant, but Pullen just took matters into her own hands – she kicked the shit out of him. Hubby then joined in until the police arrived, and the unrepentant Harding then told him he simply wanted to 'sex' the girl. Good excuse, mate. ♣
